- Please follow the signs in the parking lot for dropping off Clothes Closet donations.

**Here's how to prepare your donations for safe delivery:**

- Items in plastic garbage bags harbor germs, bacteria, and mold.
- *Instead, please package all donations in safe containers including paper bags, boxes, and reusable tubs.*
- Make sure your donations are clean and in good repair.
- *Donations should be freshly laundered, wiped down using sanitizer, and packed in safe containers.*
- If you have a large quantity of donations, please drop off in small batches so we may process your generous offerings.

**At this time, our most needed items are:**

- children's clothing • summer clothes • household items
- back-to-school clothing • shoes • linens

**Currently, we are NOT able to accept the following:**

- WINTER clothing (will begin in September)
- Seasonal decorations
- Furniture without prior approval
- Baby cribs, walkers, bouncy chairs, etc.
- Exercise equipment

*Thank you for your patience as we continue to prioritize the safety of our staff, volunteers, and donors.*
