OUR MISSION

To provide basic human services and health care to our Goochland neighbors in need.
Dear Friends,

You saved a life!

Through your support, GoochlandCares helped diagnose and find treatment for a patient with colon cancer, counseled a victim of domestic violence to safety, and fed and connected a homeless family with housing services. These and other success stories demonstrate the difference you made in 2021.

In many ways, 2021 was an extension of the ongoing challenges our community faced in 2020. The pandemic’s impact continued to be felt most by our most vulnerable neighbors who are income constrained, marginalized, uninsured, and isolated. As our community starts to reopen and we begin to resume our “normal” lives, we must not forget that our clients are experiencing an entirely different reality.

Our mission: “to provide basic services and health care to our neighbors in need” has never been more relevant than in the past two years. Fortunately, GoochlandCares was there from the beginning to advocate, feed, immunize, clothe, house, transport, provide financial assistance and health care, and help families navigate their way through whatever crisis brings them to our doors.

Amid these crises, you overwhelmed us with your outpouring of support and inquiries on how you could help. We are deeply grateful to all of you: our staff, donors, volunteers, and community leaders for “showing up” to help us respond to the community’s needs during this uncertain time.

In the pages that follow, you will read of GoochlandCares’ extraordinary efforts to continue operations and safeguard the well-being of our staff and community. It speaks to how our work helps families face their challenges and empowers them to pursue their dreams.

Thank you again for all your help and support.

Sincerely,

Paul Springman

GoochlandCares envisions an equitable community in which all persons have their basic needs met, empowering them to lead lives of self-dignity and well-being.
You See, You Hear, You Care

GoochlandCares provided a safety net for 2,528 Goochland neighbors with immediate food, housing, health, safety, and other basic needs.
OUR PROMISE

GoochlandCares delivers quality, client-centered services with compassion and dignity.
Despite the challenges of the pandemic, GoochlandCares continues to thrive as a place for our neighbors in need to come for help.

The key to our success is You, our community.

You protected our community.

1,624 COVID-19 tests were administered

Volunteers and staff held 22 COVID-19 vaccination clinics where 1,321 immunizations were administered
I came to GoochlandCares with a broken tooth that was really painful. The dentist ended up doing fillings in SIX of my front teeth. I never used to smile, because I was so conscious of my brown, decayed teeth. Now I smile all the time, because I want to show off my new teeth!
You See, You Hear, You Care

At the Free Clinic, staff and volunteers work together to diagnose, prevent, and treat health problems. Doctors, dentists, nurses, dental hygienists, specialists, counselors, and administrative assistants get to know each client’s personal story.

You provided access to health care for our community.

3,091 Medical, Dental and Mental Health visits

3,125 prescriptions valued at $1,009,178

338 trips for medical appointments totaling 12,691 miles
My daughter’s favorite vegetable is peas. The last couple of times we have been into the Food Pantry, we found green beans and corn, but no peas. Today when we came in, she ran to the first aisle and squealed, “Mommy, look! Peas! I can have peas again!” It made her day and that made my day!
You See, You Hear, You Care

The Food Pantry shelves stay stocked with your donations of non-perishable food, milk, meat, eggs, fresh fruits, vegetables, and personal hygiene products. Individual volunteers and volunteer groups collect, sort, and shelve items and assist clients with shopping for needed supplies.

You nourished our community.

429,593 meals nourished
732 families
After my divorce, I was left with nothing. I lost a lot of weight and needed new clothes. I was able to find great outfits at the Clothes Closet - even long pants that I can’t find other places! Now I am proud of how I look!
The Clothes Closet relies on your in-kind donations of clothing and household goods. You provide clients with clothing needed for school and work, as well as small appliances and supplies needed for the home. Your support also helps stock our Emergency Housing facility and resettles individuals and families moving into their own place.

You supplied our community.

Provided **403 neighbors**
(including **143 children** with clothing and home goods)
Thank God for your Home Repair program! My 95-year-old mother was sleeping when the ceiling of her living room caved in, blocking the only entrance to her house. The Fire Department came out and cleared the entrance, so she could get out. When they learned that we could not afford to repair the ceiling, they referred us to GoochlandCares. The folks there were able to complete a home inspection and have a licensed contractor make the repairs within days. I hate to think what could have happened if she had been sitting in her recliner when the ceiling caved. She could have been seriously injured or even killed. Thanks to GoochlandCares, she is back in her home safely!
You See, You Hear, You Care

These four programs are designed to ensure our neighbors have safe and stable housing and are able to meet their basic needs. When we are unable to prevent homelessness through Financial Assistance, Critical Home Repair, and Case Management, families may be able to take refuge in our Emergency Housing shelter.

You strengthened our community.

Kept **89 neighbors** (including **22 children**) in their homes plus assisted with **172 tax returns**

**114 projects** restored **49 homes** to safety

Provided **40 individuals** (including **10 children**) with shelter **1,549 nights**

**421 individuals** (including **150 seniors** and **83 children**) received help with complex social issues
GoochlandCares SDV advocates met me while I was in an abusive relationship. Advocates provided support during this confusing and scary time in my life. They helped me develop a safety plan, to keep me safe. Advocates connected me with a therapist to process my current trauma. When I was ready to leave my abuser, they supported me every step of the way, providing shelter and tools I needed to rebuild my life free of abuse.
Sexual and Domestic Violence Services are **FREE** and available to **ANYONE** regardless of income or residency. Our Emergency Housing never closed during the pandemic. We were able to quarantine families to keep everyone safe. We provided safety planning, counseling, and case management via phone and video conferencing. We saw a dramatic increase in requests for Domestic Violence support. Your support empowers those who experience violence, fear, and uncertainty in their lives.

**You protected our community.**

Provided services and support for **96 neighbors** in crisis and managed **50 hotline calls**
I went back to school to get my GED because I wanted to better myself for my kids and teach them that it is never too late to finish. With their support I can have a better career and have started taking EMT classes!
You See, You Hear, You Care

We want to celebrate the strength and flexibility of the field of adult education during the COVID-19 pandemic. In 2021, adult students couldn’t attend classes on site at GoochlandCares. Zoom classes were offered coupled with online study programs by our GED instructor.

Many of our clients struggled with employment loss, homeschooling, food and housing insecurity, caring for family members, personal sickness, and risks as essential workers. Many did not have reliable internet. GoochlandCares expanded Wi-Fi service to the parking lot that addressed this major barrier and facilitated a continued learning experience for our clients.

Your support provides sustained funding with flexibility to adapt to a new reality in education for those eager to learn new skills in reading, writing, mathematics, English language and most importantly, digital literacy.

You provide resources of hope.

You brought hope to 7 GED students with 1 graduate plus 3 ESL participants.
GoochlandCares is recognized for excellence in leveraging volunteers and their skills across all levels of the organization to successfully deliver on its social mission.
**You See, You Hear, You Care**

Even in a pandemic volunteers made program delivery possible to ensure our clients had the services they need. While onsite volunteering was paused early on, volunteers never stopped picking up food from grocery stores, providing telehealth, and helping remotely. GoochlandCares is proud to be recognized as a Service Enterprise for demonstrating excellence in volunteer engagement throughout the organization.

**You stepped up for our community.**

755 individual volunteers donated 17,587 hours valued at $910,417

“When I moved to Goochland a few months ago, I started following several local organizations on social media so I could learn about the area and its needs and opportunities. GoochlandCares is one of the organizations I follow. Now I am a GoochlandCares volunteer.”

“I came to GoochlandCares because I did not have money to buy clothes or food for my two boys. I was in an abusive marriage and my husband had left town with our money. The ladies in the Clothes Closet were so supportive and understanding and they told me about the Domestic Violence program.”

"I was diagnosed with stage 4 colon cancer. Before I could begin chemo, I needed some diseased teeth extracted. GoochlandCares was able to see me immediately and perform the procedure. While I was there, I mentioned that I would not be able to work during treatment and was worried about being able to feed my dog, who is my best friend. GoochlandCares not only provided me with dog food during this time, but assisted me with groceries AND gave me glasses so I could see properly. I don’t like asking for help, but I will for my dog. God bless you, GoochlandCares."

Dear GoochlandCares,

For some time, I have been wanting to write to you and tell you how much my late husband, Dimitri and I valued the amazing work you and the team at GoochlandCares carry out for the untold benefit of our neighbors.

It is so comforting and uplifting to know that so many needs are being met, emotionally, physically, and medically by GoochlandCares.

Therefore, when my husband decided to set up a charitable remainder trust, it was his wish that GoochlandCares be included as recipients. As trustee of said trust, I am more than happy to carry out his wishes and legacy.

Finally, I would like to wish all concerned with this very special organization, the best for its future.

Sincerely,
Maggie Georgiadis

A gift in your will is a beautiful way for you to engage with GoochlandCares and build our mission into your lifetime legacy. We are honored that Maggie and Dimitri are members of the Mary Ross Reed Legacy Society. Their bequest will help ensure that GoochlandCares will be around years from now.

You too can make a gift in your will to support the causes at GoochlandCares that have been important in your life. Your support is about the pursuit of a better future. It represents a hope of passing on your values, and serve as an inspiration to others.
A legacy of caring.

Planned Giving provides an opportunity for you to create a legacy in support of GoochlandCares. By including GoochlandCares in your estate plans, you help ensure delivery of life-saving services to neighbors in need. The Mary Ross Reed Society recognizes individuals who have made provisions in their estate plans for GoochlandCares.

VOLUNTEER SPOTLIGHT

During the pandemic, two couples made sure that donations from the Clothes Closet bins were picked up every week. We salute Bob and Ann and Patsy and Al for their commitment to GoochlandCares.

“We had both retired, moved to Goochland, and wanted to become involved in our new community. Through some friends we discovered GoochlandCares and the many programs they offered and decided this would be a perfect fit for us to be involved and to help make a difference. We have loved every minute.”

- Bob and Ann Thornhill

“It’s a good feeling to give back to the community. By volunteering we’re serving others as Jesus instructed. The cheerful, friendly folks we see each week at GoochlandCares brighten our day and lift our spirits.”

- Patsy and Al Martin
