### **For Immediate Release**

Goochland County VA:

### **GoochlandCares is a recertified Service Enterprise Organization and Point of Light**

GoochlandCares joins eleven percent of non-profits nationwide who achieve the distinction of both integrating volunteers in meaningful and strategic ways and creating a welcoming and supportive experience for the volunteers themselves. One volunteer mentioned, “I get much more from volunteering than I give.”

As a Service Enterprise, GoochlandCares can fulfill its mission to provide basic human services and health care to Goochland neighbors in need. “Because volunteers and staff work side-by-side we can effectively increase our impact in our client’s lives.” Says Dominic Alexander, GoochlandCares Volunteer Engagement Director.

GoochlandCares is recognized for an exceptional culture of volunteer engagement, as evidenced by the 200 regular volunteers who come week after week to ensure that clients get the food, clothing, health care, and support they need. Furthermore, GoochlandCares relies on volunteers in leadership roles like training new volunteers, supervising group projects, and providing special skills. Sincere thanks and congratulations to GoochlandCares’ fantastic volunteers, staff members, and Board of Directors.
